

Beyond Visibility: Powering Supply Chain Liquidity through Digitization

How Supply Chain Networks are enabling new forms of supply chain financing.

Gary Schneider
VP Financial Services
Infor Nexus
Gary.Schneider@infor.com

Do I have enough cash to
buy raw materials?

What's the latest status of my purchase orders?

What orders are
going to be late?

How much inventory do I have?

Which SKUs are running late?

What is my cash forecast?

How will delays in Long Beach impact sales?

Require a Networked Solution

“...can't fix what you can't see...”
